PRESS RELEASE

**THAKRAL ACQUIRES ADDITIONAL PROPERTY IN AUSTRALIA
TO EXPAND ITS DEVELOPMENT OF WORLD-CLASS
RESORT-STYLE RETIREMENT HOUSING**

*Acquisition made via GemLife which has committed
about A\$6 million to develop the property*

Singapore, 30 September 2019

Mainboard-listed Thakral Corporation Ltd (“Thakral” and together with its subsidiaries, the “Group”) has acquired 4.4 hectares of prime land in Queensland, Australia, through its GemLife joint venture for over-50s lifestyle resorts.

The land, located in Pacific Paradise on the Sunshine Coast, will accommodate a world-class over-50s lifestyle resort, expanding GemLife’s rapidly growing portfolio to six resorts. GemLife has committed about A\$6 million to the resort which will comprise 96 homes upon completion, bringing the total number of residences under the company’s umbrella to more than 1,400.

Construction at the site is scheduled to commence next month, with the first homes ready to move into in early 2020.

Thakral’s Group CEO and Executive Director, Mr Inderbethal Singh Thakral, said the acquisition expanded the Group’s portfolio of retirement resorts in line with its strategy of growing its real estate investments for sustainable and predictable returns.

“Demand for senior living communities is expected to rise and returns to grow over time,” said Mr Thakral.

“People in mature economies like Australia are looking at retirement housing in terms of their long-term futures,” he said.

“Growing wealth, longer lifespans, a changing mindset and nuclear families have made retirement housing an attractive investment option. We are confident of achieving returns from the projects in-line with our investment target.”

GemLife’s CEO & Director, Mr Adrian Puljich, said the finalisation of the acquisition unlocked the next phase of the development.

“We’re pleased to conclude the purchase of the Pacific Paradise land and are excited to see our vision for a premium over-50s lifestyle-resort at the site advance to the next stage,” said Mr Puljich.

“It’s a great location on the Sunshine Coast and will accommodate the exceptional resort-style homes and community facilities that homeowners have come to expect of GemLife developments,” he said.

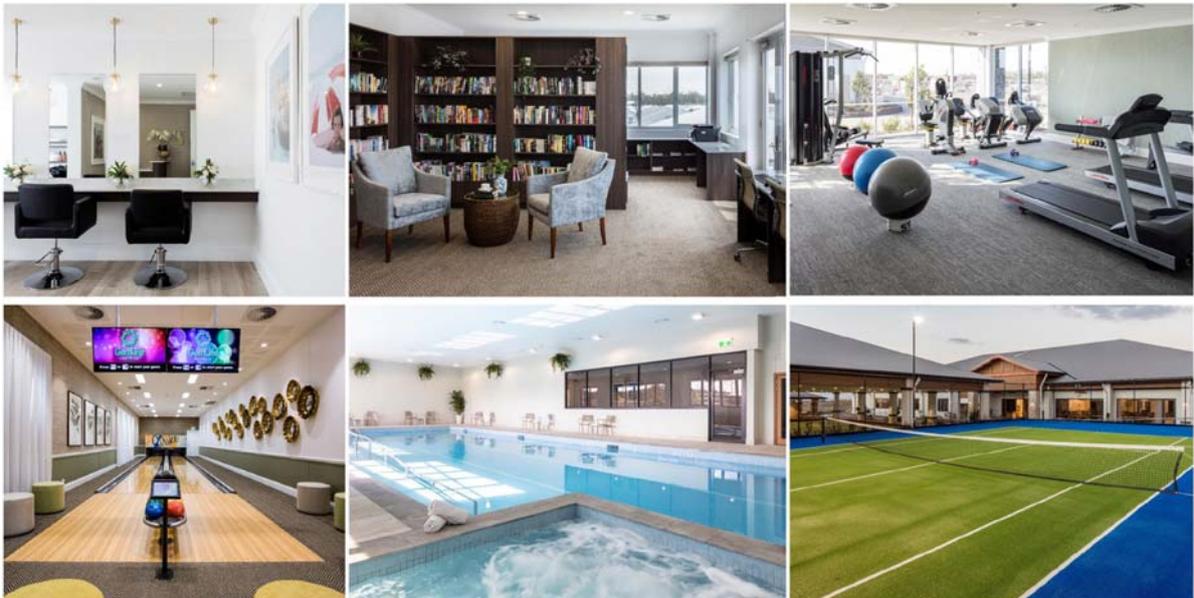

The gated, secure resort will feature first-class modern, low-maintenance homes and extensive, premium community facilities. The property is located within easy reach of shopping centres, medical facilities, public transport and entertainment venues, consistent with GemLife’s other resorts.

Mr Gregory John Piercy, Director of GemLife and Joint Managing Director of Thakral Capital Australia Pty Ltd, added that the acquisition was another milestone for GemLife following Thakral’s Investment Division’s strategic decision over five years ago to invest in the retirement living space.

“Demand for retirement housing in Australia continues to grow in line with the country’s ageing population. With prime resort locations, the well-established GemLife brand and a market-leading product, GemLife is well-positioned to capitalise on this growth over the coming years,” said Mr Piercy.

Development approval for GemLife Pacific Paradise was granted in February.
